

HEATHER WALLACE (CROCKER '94)

Heather works as a project engineer managing capital projects at MB Hydro. She has been in the construction industry for over twenty years. Heather spent the first 15 years working as a structural engineer and building scientist at a consulting engineering firm and her focus was on the restoration of historical buildings. Heather is a proud alumna from the class of 1994. She has a daughter attending the Academy and has two sons; the youngest attends Westgate Mennonite Collegiate and the eldest attends St Paul's High School. When she is not working she enjoys tennis, road biking and summers at the lake.
