

SUSAN POLZ '94

A lawyer by profession, Susan's career started in private practice in areas including labour relations, contracts, wills and real estate.

Following several years in private practice, Susan then moved to the public sector, first to work as a Senior Labour Relations Officer and then to work as an A/Director, Contracts & Negotiations within Manitoba Health.

With the creation of the provincial health organization (Shared Health), Susan joined that organization's health workforce team to serve as its Provincial Lead, Medical Staff Contracts, Provincial Medical Administration Office (PMAO), and is now the Executive Director of the PMAO.

Susan is a proud St. Mary's "Super Sixer", Class of 1994. In her spare time, Susan enjoys golfing, traveling and spending time with her husband, two girls, and dog.

Through her work with the Board, Susan looks forward to using her knowledge, skills, enthusiasm and faith to serve the community of St. Mary's Academy.
