Please be informed that by submitting an application, you hereby intend to participate in the 2019 Canada and the World Wars Trip. **Application is due to Ms. Zirino no later than Tuesday, April 10, 2018.**

Application Questions

Please use only the space provided.

1. Due to the nature of the trip, we will be doing extra preparation as a group. This can include film studies, field trips, speakers etc. Are you willing to participate in these workshops? How will you prepare yourself for this trip?

2. The trip will take place during Spring Break. Each day will consist of walking and bussing to different locations and countries. We will be served meals in different local restaurants. Is this a manageable expectation for you? Are there any injuries or allergies that we should be aware of?

3. The intention of the trip is to recognize the sacrifices made for Canada during the twentieth century. Because we are only taking a small population from our school, how could you integrate the experience when you return? How can we make this experience relevant to the student body?

4. Tell us why do you want to attend this trip? Do you have a relative who fought in the war? Are you interested in military history?
