St. Mary's Academy School Supply List 2022-2023 School Year

Below is a list of school supplies that each student is required to purchase prior to the first day of school. If you have financial concerns about purchasing these items, please contact accounting@smamb.ca.

For items that need to be standardized across the student population, SMA will procure the items and distribute them to students during the first week of school. Your daughter's tuition fees cover the cost of these items; however, if your daughter misplaces an item, you are responsible for purchasing the replacement item through St. Mary's Academy.
