President's Message

Mrs. Connie Yunyk (Scerbo '77)

Welcome back! It's that time of the year when our attention turns from the beautiful warm carefree days of summer holidays to the anticipation of preparing for and starting a new school year. I look

forward to reconnecting with our returning students and families and welcoming over 120 new students and families.

We said good-bye and celebrated several faculty and staff members at the end of June, sending them off with blessings and best wishes. Over the summer, Judy Ashcroft informed me of her intention to retire from SMA as my Executive Assistant;

we will celebrate her and her service to the school at the President's Luncheon in December. At that time we will also celebrate our former Accountant, Brenda van Raes, who moved on to a new endeavour this July.

We welcome the following faculty and staff to our SMA community and look forward to working collaboratively together to provide an excellent educational experience for our students (we all know that it takes a village to raise a child):

Faculty

Christine Aaron (Dado '00): Resource

Teacher Jason Athayde: Math and Interactive Digital Media

Alannah Thibodeau '13: Math and Science

Staff

Richelle Friesen (St. Croix '03): Controller
Natalie Leroux: Director of Advancement and Alumnae Relations

These are exciting times at SMA! We are poised and ready to begin the third year of our Strategic Plan, **Leading, Learning and Legacy**, many successful strategic actions are already completed and many goals are outlined for the coming year, and **St. Mary's**

Academy turns 150 years old in 2019!

Our school theme for the 2018-2019 year, a theme that will guide and infuse our everyday experience and keep us focused, is **Preparing to Celebrate our Legacy**—how appropriate as we prepare to celebrate St. Mary's Academy and the Sisters of the Holy Names of Jesus and Mary (SNJM) and their 150 years of influence and impact on education in the faith in Manitoba. A Steering Committee comprised of individuals from throughout our community has been meeting for over a year to brainstorm and plan a range of gathering events and activities with an official launch date of May 1 2019, with celebrations wrapping up on December 8, 2019. Details will be published as they are made available.

Foundress of the SNJM, Blessed Marie-Rose Durocher, was a woman of vision, compassion, discernment, insight and courage. May we all be infused with these guiding values as we come together for another year of visioning with conviction, and in service and justice to our community.

Senior School Principal's Message

Mrs. Michelle Klus

Welcome all parents and students to the new school year. I am very both delighted and honored to be your Senior School Principal. I wish nothing but success for your daughters' educational goals.

This year our school theme is **Preparing To Celebrate Our Legacy**. This theme will permeate every facet of school life as we approach the 150th anniversary of St. Mary's Academy.

It is my goal to work with faculty, parents and students to create a rich learning environment. I believe that success is a shared responsibility; a joint venture between school and home. The foundation of a successful school is the cooperation between the students, faculty, parents and community. One of my favorite quotes by A.A. Milne is "You're braver than you believe, stronger than you seem, and smarter than you think"—I hope that students will recall this quote throughout the year, especially in challenging times. It is also my hope that challenges will be met with determination and that all students will be celebrated for the unique individuals that they are.

I encourage you to check our website, www.smamb.ca on a regular basis for information updates and a list of coming events and important dates. I sincerely look forward to working with you and developing a relationship that will assist in the growth of your daughter. The year promises to be filled with opportunities to both stretch us as well as promote growth.

Junior School Principal's Message

Mrs. Carol-Ann Swayzie (van Es '80)

Welcome! The coming year promises to be filled with many memories, particularly for our newest grade 7 students who will join our community. We all look forward to getting to know your daughters, and are honoured to be given the opportunity to work with them in the coming years.

This year, we prepare to celebrate our legacy of 150 years in education. Following in the footsteps of our foundress, Mother Marie-Rose, your daughter will experience new events, develop new friends and gain a greater awareness of her gifts and how to share them with others. I look forward to witnessing the celebration of her accomplishments as she continues on her journey with confidence and resilience.

Communication is crucial. I encourage you to take time to read the introduction in the student agendas—it contains pertinent information such as uniform policies, attendance expectations, key routines, procedures and more. As well, our website provides a wealth of information, including our school calendar and event updates.

For all new students: Orientation Day is September 5 at 9:00 a.m. Students will meet teachers, classmates, get locker assignments, tour the school and receive information to take home and share with you.

I look forward to working with your daughter as she experiences her junior years at SMA. This school year promises to be filled with many blessings for us all! Welcome to all as we begin the new year together.

Charism and Mission Office

Sr. Michelle Garlinski '88, SNJM

Welcome back! "It is good for us to be here," is what Peter says in the Gospel reading on the Feast of the Transfiguration (August 6). He is so taken by the goodness, beauty and peace being experienced he wants to pitch three tents and remain there. It sounds like what summer can be like! We just want to stay in it since it is "good to be here." Yet we know, we must continue, and so we look with great joy and anticipation to the year ahead. In the 2018-2019 school year we will be, **Preparing to Celebrate our Legacy**. What does that mean? It means the legacy of learning, faith, service and leadership which are values that have been firmly planted in our rich soil of tradition

at St. Mary's Academy since 1869. The legacy which was established by the Grey Nuns in 1869, has then been nurtured, sustained and grown by the Sisters of the Holy Names of Jesus and Mary (SNJM) since 1874. On May 1st 2019, we will be celebrating the **150th Birthday of St. Mary's Academy**. This year we are taking every opportunity to prepare our community for this great celebration of our legacy. I have spent time this summer learning and understanding more about our SMA story in relationship to the stories of our city and province.

The celebration of the 200th Anniversary of the establishment of the Catholic Church in Western and Northern Canada also places St. Mary's Academy's birthday in a particular context. Our story follows in the footsteps of courageous missionaries who came to the west to share the gift of faith. As we begin this exciting time in our story, you are invited to also learn more about the legacy, and participate in whatever ways you are able. The Spirit that animated the foundress of the SNJM, Mother Marie-Rose Durocher, and the four Manitoba foundresses, continues to breathe life in us as we seek ways to share the Holy Names of Jesus and Mary in our day. It is good for us to be here!

Campus Ministry

Mrs. Joanne Steeves (Weight '90)

Welcome back! I pray that you have had a restful and rejuvenating summer! A special welcome to all students, parents and staff who will be joining the St. Mary's Academy community for the first time!

The Campus Ministry team has been busy gathering in small groups to plan and prepare for the many upcoming events. Groups have been hard at work on the school banner, Orientation Day, Day of Reflection, Service Fair and much more in preparation for our new school year. Some of the activities to start off our year are as follows:

Mass of the Holy Spirit

Friday, September 7 at 2:00 p.m.

Grade 12 Reflection Day Wednesday, September 13

Grade 12 students, please be sure to complete the consent form and return it by September 11 to your homeroom teacher. Parents are reminded to join us at 6:15 p.m. at Camp Assiniboia for closing prayer and the blessing of Grade 12 students.

Mother Marie-Rose Week October 1 to 5

This year the Sisters of the Holy Names of Jesus and Mary are celebrating 175 years. During Mother Marie-Rose Week we will join in celebrating with them and honour our Blessed Marie-Rose Durocher, their foundress.

Service Fair

October 16

This Fair gives students an opportunity to

talk to representatives from various organizations, and learn about the many service opportunities available to them.

Wednesday Morning Prayer

Begins on October 17 at 8:00 a.m. and takes place each Wednesday. Parents and families are welcome to join us in Holy Names Chapel.

Harvest Thursday

Each Thursday starting October 26

A group of students lend-a-hand serving groceries to people at the Unitarian Universalist Church (a Winnipeg Harvest satellite distribution location).

As we prepare to celebrate our legacy of 150 years as a SNJM school let us begin this new school year with a renewed spirit of hope, faith and love.

SNJM Youth Justice Forum

Kyla Goulet-Kilgour '21

On July 17, our team of four students, accompanied by Mrs. Joanne Steeves, Campus Ministry Coordinator, had the amazing opportunity to travel to Oakland, CA for the **SNJM Youth Justice Forum**. Our team was composed of 4 students, Ainslee Tolentino '20, Angela Lawrence '20, Ashlynn Argo '21, and myself. The Forum was held at Holy Names University with Holy Names schools from across North America and Lesotho, Africa, in attendance. The 40 participants bonded quickly and many great friendships were made. During the week,

we spent time learning and discussing the corporate stands of the SNJM: immigration and refugees, human trafficking and water as a human right and public good. We also did service throughout the Oakland community which included volunteering in soup kitchens, shelters, urban farms and cleaning up the shores of Lake Merritt. On the last day, our SMA team had the opportunity to visit San Francisco, which was lots of fun.

Some of the content during the week was very heavy but it left us all feeling inspired

to enact change beginning with our school community. At SMA we are planning on sharing what we learnt and experienced. It was very impactful experience and our biggest takeaway is that we have a responsibility to be engaged citizens and leaders in our communities and on a global scale. The **SNJM Youth Justice Forum** was truly enriching and a life-changing experience. We are very grateful to everyone, especially the SNJM, who made it possible.

Mrs. Gillian Hauser, 2nd Vice-President

Every school community is only as strong as the volunteers in the community. The SMA Parents' Guild has a dedicated force of volunteers but we can always be stronger! The funds that we raise directly impact our daughters in their time at SMA, and allows them the benefit of realizing these funds in many different facets of St. Mary's life— it may be team jerseys, precision scales for the science lab or any number of other things. As an added bonus of volunteering you will have the opportunity to meet other parents, get to know faculty and staff and enjoy many events and activities.

Sign up to volunteer with the Guild

To sign up is very easy, go to www.smamb.ca/parents/volunteering and click on 'please click this link' under **Sign Up to Volunteer** or, click on a direct link to volunteer for day or evening shifts in the Corner Store, Tartan Shop or for International Day.
