## President's Message

Mrs. Connie Yunyk (Scerbo '77)

At our recent Parent and Daughter Mass for our graduating students on June 2, our presider Father Michael Koryluk ended his homily by sharing a quote from Mother Teresa: "Reach high, for the stars lie hidden in your soul! Dream

deep, for every dream precedes the goal!" Indeed a genuinely thoughtful message as our young women in Grade 12 prepare for their final days at SMA. I congratulate you and wish you life's choicest blessings.

June is also a time to say goodbye to several faculty and staff members. After an incomparable and stellar thirty year teaching career at SMA, Ms. Joy Beauchamp has decided to retire. We will miss her professionalism, dedication and creativity, yet are thrilled she will be spending time with her family and enjoying life! We also say farewell to the following individuals who have decided to leave our school community: Mr. Roby Yeung (science teacher), Mrs. Barb Batulla (educational assistant), Mrs. Mary Morton (Con Spiritu liturgical choir), Miss Michelle Allard (Con Fuoco choir), Mrs. Josie Audino (Principal). I extend my deepest gratitude to each one of you for your commitment to educating young women mind, body and spirit. Best wishes and good luck!

## Principal's Message

Mrs. Josie Audino

It is difficult to believe that it is already June! How quickly time flies when one is surrounded by many success stories! Athletic accomplishments, first place winners at the Scirocco

SMA continues its mission to serve, even during the summer months: eighteen students along with Ms. Janet Zonneveld, Miss Rebecca Mandrick, Mrs. Joanne Steeves and me will travel to El Salvador on our fifth mission trip June 30 – July 14. Remember we are Christ's hands and feet on earth as we walk in solidarity with our brothers and sisters in El Salvador. This work is especially meaningful in this Year of Mercy when showing mercy to others aligns with how God responds; with compassion.

Our faculty continues with professional development over the summer which includes Mrs. Carol Ann Swazie and Mrs. Mary Anne Lovallo who will travel to Portland at the end of July to attend the SNJM Leadership Forum. Ms. Jessica Dyck-Lyons will travel to Longueil to attend Encountering our Story (the SNJM story) and Miss Cecilia Wojcik will travel to Ottawa to complete the third year of a three year Religious Education Certificate program.

Finally, I am delighted the Parents' Guild has agreed to share in the costs of a total renovation of the Corner Store (where students buy SMA apparel and other items). On a personal note, I extend my gratitude to Kristi Cumming for her commitment and leadership as she completes her term as president of the Parents' Guild.

Other major repairs and maintenance the school is undertaking this summer include installing new cafeteria lighting, purchasing 120 new lockers, refinishing and waxing wood floors on the second floor of the 1902 and 1909 building and replacing the Liebert unit for our Archives room. Of course, general scrubbing, cleaning and maintenance all summer long to make sure the school "sparkles" for the return of our school community in September.

Drama Playwriting Contest, Provincial winners and National participants at the Concours d'art oratoire speech contests, a number of students who continually help those less fortunate; and therefore, the St. Mary's Academy students continue to "Hold High the Torch"!

Final academic exams have begun or will soon begin. Thank you for continuing to support your daughters during this time! The examination schedule is posted both on our web-site and in individual classrooms. We wish all

I am confident we will have a great year ahead and look forward to the unveiling and implementation of our Strategic Plan. Take care and have a restful and enjoyable summer!

students well.

As some of you may already know, I am leaving St. Mary's Academy effective June 30, 2016. It has been both a privilege and an honour serving the students, parents and staff during my tenure at the Academy. I will keep all of you in my prayers and wish you all much success in your future endeavours.

## Message from the Board of Directors

Mr. Scott Greenlay, SMA Inc. Board Chair

As our thoughts turn to summer, our Graduating Class of 2016, and summer holidays, our Board is wrapping up a busy year.

We had promised to update everyone on our progress towards developing a new five year Strategic Plan. Our consultants presented a draft at our final board

meeting which we will be reviewing over the summer months. When our board convenes in the Fall, we hope to finalize the Plan. Once finalized, we will publish the Plan to share with everyone. While we can't share details yet, we've worked very hard to capture the input from all our stakeholders, and we are all very excited about the Plan.

As we close the year, we are blessed with wonderful students, dedicated faculty and staff, fantastic support from our alumnae, and our broader community. On behalf of the Board, I wish you all the very best for the summer. To our graduates, congratulations! And to our returning students, enjoy your holidays - we look forward to seeing you in the fall.

## Assessment Dates For the 2016-17 School Year

SMA is providing families with advance notice of major assessment dates for the 2016–2017 school year. *given for an assessment or exam missed due to a vacation. A doctor's certificate is required to verify an absence.* It is our hope that the early publication of these dates will assist families in planning their schedules.

## Art News

Mrs. Deb Nickel

Recently a group of Grade 11 art students created set pieces for the Grade 12 drama performance exam. This is the same group of students that created set pieces for the Grade 11 drama performance exam. The group was delighted to have another project to paint, and proceeded to have fun with the East Side High flats and the banner. What an amazing year the group of Grade 11 students have had! In addition to the work they did for drama performance exams, they also created a life size inukshuk for the Female World

Sport School Challenge. The girls have challenged themselves to learn new techniques and have created memorable, monumental artwork. Well done all!

### Art Auction in support of the Bursary Fund

Every year there is an art auction of student work, with the proceeds going to SMA's Bursary Fund. The auction was held from May 2 to 6 during the lunch hour and many students came out day after day to bid on and buy original work. As a result of the participation of everyone, **the auction raised over \$2100 for the Bursary Fund!** An amazing result achieved only because of the collaboration of students, staff and alumnae. Thank you all.
